PALNI Press is committed to disseminating the diverse scholarly and creative content of supported PALNI institutions and their academic communities, helping them meet their teaching and learning objectives. This service provides the capacity to create and host open access publications such as journals, textbooks, monographs, and digital exhibits, without the costs associated with program design or platform maintenance and hosting. We aim to provide equal, equitable, and free access to content by all users throughout the world. PALNI's Publishing Services Admin Team will provide consultation and support for the PALNI Press service.

Butler University is proud to be a member of PALNI and the PALNI Press. AcademFic is hosted through PALNI's Open Journal Systems (OJS), an open source software platform for managing and publishing scholarly journals.
